

April 15, 2020

Dear Graduates of May 2020,

Congratulations!

I am so proud of all that you have accomplished during your time in BAEN and do not want to lose the opportunity to celebrate you and your accomplishments.

Life has thrown us all a curve ball at the end of all your hard work at Texas A&M but you have all faced the uncertainty and risen above it to finish out your years here with the Aggie Spirit that makes this university great. As you go forth and move into the next phase of your lives, know that we at BAEN have every confidence in your abilities as engineers and as Aggies and that you will all use your skills and knowledge in the service to the greater good.

Please return often and share with the next generation of students your wisdom and knowledge. It has been a pleasure watching you all grow and become engineers and adults and we wish the greatest happiness and success in your future.

*Dr. Patricia "Patti" Smith*

Associate Department Head and Director of BAEN Undergraduate Programs
