

Professional Licensure and Certification Disclosure Statements

General Disclosure

Notice to students pursuing programs that may lead to a professional certification required for employment.

The following programs may lead to a professional certification that is required for employment. Professional certification requirements vary from state to state, which may affect a student's ability to apply for a professional license/certification upon the completion of the program. The U.S. Department of Education regulation, [34 CFR 668.43 \(a\) \(5\) \(v\)](#), requires an institution to disclose whether the program will fulfill educational requirements for licensure or certification for each state. The administrative departments that offer the programs have made the following determination regarding their curriculum.

<u>Program</u>	<u>Meets</u>	<u>Does not meet</u>	<u>A determination has not been made</u>
B.S. Agricultural Systems Management	All 50 states		

We recommend students contact the appropriate state licensing agency in their state or the state where they intend to work to seek the most up-to-date information about state licensure/certification requirements before beginning the program.
